ZENGAZ PRODUCTS

ZENGAZ is an international brand of jet lighters and torches, currently spread across 6 continents, 40+ countries and partnered with many multinationals and leading modern trade/supermarket chains. It was also selected by the FIFA World Cup 2018 as the exclusive supplier of souvenir lighters & torches in all CIS countries.

Zengaz products come with a windproof jet flame, a soft rubberized texture and a wide selection of vibrant colors & distinctive designs that are constantly refreshed (as well as fully customizable). In order to minimize plastic waste, all the lighters and torches are refillable.

TECHNOLOGIES

ZENGAZ lighters have a unique mechanism of JET flame, that reaches a temperature of 1000-1300 °C and makes it possible to use the lighter in almost all weather conditions.

QUALITY

Lighters are subjected to strict quality control at all levels of the production process and have a guarantee from the manufacturer for 4000-5000 ignitions (refilling with ZENGAZ gas required)

PACKAGING

Convenient, stylish and practical packaging made of ultra-dense cardboard and transparent plastic complements the originality of ZENGAZ lighters.

ASSORTMENT

ZENGAZ products are designed for a wide range of consumer, so in the assortment you can choose lighters for any taste.

PATENT

All production technologies, as well as models of ZENGAZ lighters, lighter designs and packaging are patented.

SPECIFICATION

- piezo-electric ignition
- refillable
- body is resistant to high temperatures above 85°C
- adjustable and steady flame reaches the temperature 1000 - 1300 °C
- safe and easy to use
- It is recommended to fill all the lighters with ZENGAZ gas
