ZENGAZ PRODUCTS

ZENGAZ is an international brand of jet lighters and torches, currently spread across 6 continents, 40+ countries and partnered with many multinationals and leading modern trade/supermarkets chains.

ZENGAZ products come with a windproof jet flame, a soft rubberized texture and a wide selection of vibrant colors & distinctive designs that are constantly refreshed (as well as fully customizable). In order to minimize plastic waste, all the lighters and torches are refillable.

ZENGAZ[®]
#NeverBurnOut

6 continents, 40+ countries

Windproof and steady flame technology

Refillable via precise inlet valve

Piezo-electric starter, no finger pain caused by flints

Conforms to all international standards and regulations

Wide range of illustrations and designs (fully customizable)

Innovative and convenient P.O.S

High quality material, printing and finishing; ongoing R&D to improve

One-year warranty included

Patented lighter designs and packaging

Get the flame you want, every time.

Introducing the first jet lighters in the world to have Safe Fixed Flame Technology (SFFT) and automatic flame height regulation. These lighters are compact, pocket sized and creatively designed.

NEW TECHNOLOGY

Higher temperature
resistance (beyond ISO
certification of 65°C)

Anti-collision
and shock-absorbing
body

Faster production
time!

NEW DISPLAYS

CUBE DISPLAY

It's all about the Cube – the most creative & unique POS display you'll ever see! Our Cube Display is a perfect solution to make products stand out. With easy set up and high-quality material, you can spend less time sorting out products and more time at making sales.

Simply ship, receive, open, sell!

Packaging: Cube Display

LEGO DISPLAY

Customizable display that can be configured in any way that fits your needs. Combining multiple displays into 1 bigger tower is one of the options. Changing the header facia, we have included 2 so you choose.

Lego Display / 2 layers / 1 header card
(excluding lighters)
Size: 145 x 145 base footprint
